

THE BULB APPLICATION GUIDE

This guide has been prepared by AURA XT to provide general guidelines for retailers, resellers, distributors and wholesalers of the after-market, automotive parts and accessories related fields on the aspects of identifying the socket type/ bulb size that would fit into the headlamps of various car makes and models.

To use this guide, you must have your **car make, car model** and **year of manufacture** ready to be checked against this guide. If the vehicle is not listed, *contact us* and we will do the identification for you.

DISCLAIMER

The information contained herein is made available in good faith and is derived from sources believed to be reliable and accurate at the time of preparation.
